fine art and fabulous finds

Welcome to Studio b. Gallery. We are pleased that you are interested in exhibiting work in our space. Some of our shows are invitational, others are juried. The work on display is limited by the wall space available in the gallery and we do try to maintain a mix of work in various mediums. We ask that prior to submitting work you visit our space to determine if our aesthetic is a fit for your body of work. It is also important to note that we only accept work that is ready to hang. If you are interested in being on our artist list, please send the following:

ELECTRONIC SUBMISSIONS

E-mail is the preferred method for our staff to review and manage artist submissions. We prefer to receive at least five examples of your work in digital format via e-mail. Images can be low resolution as long as they convey your work properly. We ask that you include an info sheet with your submission that details the media, size, date finished and retail price for the work. We also like to know about you and your work history and ask that you provide a resume if available. E-mail submissions should be directed to Bridget Verdun at b@studiobgallery.com.

MAIL SUBMISSIONS

If you do not have access to e-mail or cannot provide digital images of your work, we also accept photos or color copies via regular mail. Please note that photos submitted will not be returned. If submitting work via regular mail, please include an info sheet and resume along with your samples. Submissions can be mailed to:

Studio b. Gallery
attn. Bridget Verdun
114 N. Elm Street
Three Oaks, MI 49128

While we do our best to reply to each submission, we receive many each season. If we do not reply to you within six weeks, feel free to follow up by contacting us at 269 756 9954 or via e-mail at b@studiobgallery.com. While your work may not fit into our current show, we have a varied schedule of exhibits each year, which are planned about a year in advance. Each submission is kept on file and files are reviewed prior to the planning of each show.

We thank you again for your interest and look forward to seeing your work!
